The 'Value' of Animals Worksheet
Level 4 English

We often form opinions of animals based on our experiences of them.

Write down if possible **one** 'good' experience you may have already had with an animal.

How has this affected the way you feel about animals?

Write down if possible **one** 'bad' experience you may have had with an animal.

What can a person do to help themselves overcome fear of an animal that may have developed as a result of a “bad” experience.
